

ICEsonic SMART PRO

Meet the award-winning SMART PRO single hose dry ice blasting machine, the ultimate solution for light-duty cleaning applications. This entry-level machine is both lightweight and versatile, making it ideal for smaller spaces and those who require a reliable cleaning solution. The SMART PRO can be connected to common size compressors, making it even more convenient for those who already have compressed air systems in place. The SMART PRO features a full stainless steel body with an anodized aluminum dashboard, ensuring durability and longevity. With its easy-to-use interface and compact design, the SMART PRO is perfect for those who are new to dry ice blasting or require a reliable cleaning solution for smaller spaces. Not only is the SMART PRO designed for superior performance, but it has also been recognized for its outstanding design and functionality. It won an award at the 61st International Technology Fair in Belgrade, demonstrating its superiority in the market. Invest in the SMART PRO dry ice blasting machine today and experience the power of ICEsonic dry ice blasting technology for yourself.

Specifications

Type	Single Hose Dry Ice Blaster
Compressed Air Pressure	Up To 12 bar (175 psi)
Optimal Compressed Airflow	2.2 m ³ /min (78 cfm) or more
Blasting Pressure Regulator	Optional
Air Inlet	1/2" Push in Quick Coupling
Feed Rate	Up To 40 kg/h (88 lbs/h)
Hopper Capacity	7 kg (15 lbs)
Touch Screen	No
Automation Ready	No
Housing/Frame	Stainless Steel
Compressed Air Filter	Optional
